Castleknock Celtic v Verona Boys

CASTLEKNOCK CELTIC U13A'S

Ronan O'Dea: Goalkeeper

A fine big lad who has been a key man in this team's successes in recent years. He is an excellent shot stopper and is improving his game all the time. He was deservedly Player of the Year last season.

Bruce McDevitt: Winger

Another who is a permanent fixture in this squad since they started. He is in the Liam Tobin mould, tricky and fast, with lots of ball control. He has scored many important goals.

Gary Clarke: Full Back

Gary is making his own name with this team, following in the footsteps of his dad, senior team captain, Alan. He is very reliable and is only now getting back to fitness after a long lay-off through injury.

Derek Draper: Full Back

Derek is the team's most consistent player this season who performs up to a high standard week in and week out. He is skilful which is a great asset to a team that likes to build their attacks from the back.

great passer of the ball.

Joe Martin: Manager

Joe has been managing this team for a couple of seasons and has moulded them into a fine footballing side. He uses his knowledge of the game, gained from his many years of playing, to greatest effect.

Dominick Martin/Dave Sullivan Snr: Assistant Managers

Domino and Dave are great organisers and are key men in the success of the team.
